ELY

DESIGN MARCO PISATI
INSIDE TECHNOLOGY GATTONI

ELY

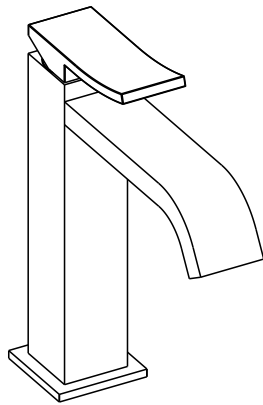

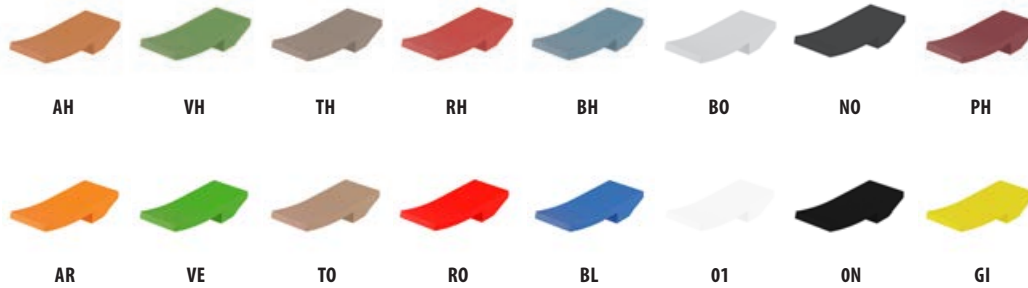

Ely nasce dall'obiettivo di avere una linea squadrata e morbida al tempo stesso: si distingue infatti per il corpo quadro, terminante con la caratteristica bocca curva, sormontato da una leva slanciata verso l'alto.

Ely was created with the aim of having a line that was both square and soft at the same time: it is distinguished by its square body, ending with the characteristic curved washbasin spout, topped by a slender upward lever.
